Open

A stake in which dogs have the opportunity of gaining a qualification towards the title of Field Trial Champion (K Regulations refer) and towards entry in the Championship or Champion stake for its breed; in which entry is open to all dogs of a specified breed or breeds except that such Stakes may not be confined to Any Variety Spaniel [except Spaniel (Cocker) and Spaniel (English Springer)]. It will be limited to a prescribed number of runners, in which case these shall be decided by a draw conducted in accordance with Regulation J6.i. and J6.j. so that preference is given to previous performance.

All Aged

A stake which is open to all dogs of a specified breed or breeds without restriction as to their age, but which may be restricted by any other conditions which may be determined by the society subject to the approval of the Board of the Kennel Club. **Preference will be given to member's dogs who have won a Field Trial award in Open and Novice stakes (1st to 4th). In all cases members' dogs meeting the conditions of entry will take preference in the draw.**

Novice

Retrievers, Spaniels and breeds which hunt, point and retrieve: A stake which is confined to dogs which have not gained a place, or places, which would qualify them for first preference in the draw for Open stakes

KC Rule J6h Will be implemented for Novice Stakes.

J6h

A society where stakes of the same denomination in a season which are drawn on the same date may ask a member, who has been successful in the draw for more than one stake, which of the stakes he/she wishes to run in. Similarly, where a society holds two or more stakes in a season of the same denomination which are not drawn on the same date, it may have discretion to give priority in any subsequent draws to members who were not successful in the previous draw/s. (J6.h). The order of running will be the order resulting from the draw.

Please note that the following targets are voluntary and self-administered, and something novice handlers can strive to achieve before entering a field trial.

The purpose of these targets is to get novice handlers to read the J Regulations to gain a basic understanding of the rules of the competition they propose to enter. This will also encourage handlers to take a dog out on a proper shooting day instead of just relying on a few training days, which may give a false impression of their dog's ability and suitability for field trials.

The handler:

- Attends a Kennel Club seminar on J Regulations
- Helps at a Kennel Club licensed field trial on three separate occasions.
- Helps on an organised shoot as a picker up for a minimum of one season.

The dog:

- Has worked on an organised shoot as a picking up dog for a minimum of one season before being entered in a field trial (training days do **not** qualify)
- Has no recurring eliminating faults and has had sufficient experience on live game before being entered into a field trial.

The Kennel Club recommends that these targets are achieved before entering a licensed field trial.
